

We are writing on behalf of Emelita PTA, in hopes that you will consider becoming a corporate sponsor. Emelita is a Nationally STEM Certified public LAUSD School in Encino. At Emelita, our vision is to provide our students with an academically challenging program by utilizing an integrated STEAM approach.

It is with the continued support from our community sponsors like you that Emelita PTA is able to assist our students' education. Based on continued LAUSD budget constraints, Emelita PTA supplements funding for on-campus enrichments like: Enrich LA Garden Club, art classes, theatre classes, on-campus field trips such as Wild Life Learning Center and the Discovery Cube, school busses for off-campus field trips and so much more. Emelita PTA is a nonprofit 501(c)(3); all donations are tax deductible and funds will go directly to our children's education.

As a corporate sponsor, we will feature your banner in front of our school for a full year (12 months). You will be able to have a booth/table at our Harvest Festival in October (date TBD) as well with social media blasts throughout the school year. Sponsors will be recognized at all school events. Sponsorship is \$550 for a full year.

Thank you in advance for your consideration and support. We are excited to partner with you and get your message out to our community!

We are looking for businesses that would like to support the education of the community's children by becoming a part of our sponsorship team. We have options for businesses to participate by making cash donations. Our families readily acknowledge our sponsors by advocating for and patronizing them.

Emelita sponsors are given exposure to the school and local community in a multitude of ways, including outdoor campus and event signage, recognition on the Emelita PTA social media sites. You will be able to have a booth/table at our Harvest Festival on Saturday October 28th. Sponsorship is \$550 for a full year.

Your contribution is incredibly valuable to our children. Your support allows us to offset severe federal and state budget cuts that have stripped us of many items and activities required for a quality elementary school education. Specifically, your contribution will help fund the following programs: on campus enrichments like Enrich LA Garden Club, art classes, theatre classes, on campus field trips such as Wild Life Learning Center and the Discovery Cube, school busses for off campus field trips and so much more.

We appreciate your interest and look forward to working with you.
